## Request for Planning Board Interpretation of a Provision or Section of the Land Development Code

**Per Article 2, Section 2.07.01 of the Land Development Code:** The Planning Board, sitting as the local planning agency (LPA), shall review and interpret any provisions of this Code for the purposes of clarification or determination of meaning and intent if questions should arise regarding the meaning, intent or interpretation of any provision or section. Such interpretation request shall be presented at the next regular planning board meeting if the request is received by the department of growth management staff at least 20 calendar days in advance of said meeting. \*

*\*Note: Although the request is submitted at the next regular Planning Board meeting, the actual interpretation is subject to the Planning Board's direction and may not be available until the following meeting (depending on the nature of the request and the extent of staff research required).*

Please call the office (595-3475) to make an appointment with the Planning Board Coordinator to personally discuss your request, to review the application form with you, to answer any questions you may have, and/or any possible alternatives to the request. This will prevent any unnecessary expenditures in the event that it is determined an interpretation is not needed. Fees cannot be waived and are non-refundable regardless of the interpretation. The requestor must be present at the Planning Board meeting.

**An application is not considered complete until the following information is received along with the submittal fee of \$175.00.** (Checks made payable to Escambia County, MasterCard & Visa are accepted)
