SPECIAL TERMS AND CONDITIONS

General Information

1. Instructions to Offerors

All offers to be considered shall be in the possession of the Office of Purchasing prior to the time of the solicitation closing. Offers may be mailed to 213 Palafox Place, Pensacola, Florida 32502 or delivered to the Office of Purchasing, 2nd floor, 213 Palafox Place, Room 11.101 Pensacola, Florida 32502, in a sealed envelope clearly marked:

Specification Number PD 08-09.070 "HOUSEHOLD HAZARDOUS WASTE ", Name of Submitting Firm, Time and Date due.

Note: If you are using a courier service; Federal Express, Airborne, UPS, etc., you must mark airbill and envelope or box with Specification Number and Project Name.

Regardless of the method of delivery, each offeror shall be responsible for his offer(s) being delivered on time as the County assumes no responsibility for same. Offers offered or received after the time set for solicitation closing will be rejected and returned unopened to the offeror(s).

Intent of Solicitation

The County is seeking to obtain the services of a properly licensed and insured hazardous waste transportation, storage and disposal firm to assist the County with the multiple services listed below.

- (1) **FULL AMNESTY DAY EVENT:** Implement services at a designated site within the County for the collection, identification, packaging, manifesting, shipping, and proper treatment or disposal of Household chemicals;
- (2) **SHED CLEAN-OUT SERVICES:** Provide services to pack, manifest, ship, and properly dispose of Household chemicals collected at the Perdido Landfill collection facility;
- (3) **TRANSPORTATION and DISPOSAL SERVICES:** Collect bulked or lab packed chemicals from the Perdido Landfill Household Chemical Collection Facility, manifest, and ship to the proper treatment or disposal facility to recycle, treat or dispose of Household Chemicals.
- (4) **EMERGENCY RESPONSE SUPPORT:** Collect chemicals from destroyed or severely damaged households, CESQG, and SQG following a natural or man-made disaster and properly manage the collected chemicals by either recycling or disposing of the wastes. Previous operations required door-to-door collection of the wastes from hurricane damaged areas. The scope of work for these operations is expected to vary from event to event.
- (5) **SMALL QUANTITY GENERATOR COLLECTIONS (SQG):** The contractor will provide hazardous waste collection activities, identification, packaging, manifesting, transportation, and proper disposal for Escambia County SQG. The costs for these services will be borne by the County. As with the amnesty day type event, the SQG collection will be within Escambia County.

THE SHED CLEAN-OUT TRANSPORTATION : The Shed Clean-Out and Transportation and Disposal Services sections will be conducted at Perdido Landfill, 13009 Beulah Road, Cantonment, FL 32533. Satellite sites will be selected by the Department of Solid Waste Management (DSWM) and the contractor will be notified upon selection. Sites for collection of chemicals following a disaster will be determined after an assessment of available areas and area conditions have been determined.

2. Bid Surety

Each offer shall be accompanied by a bid bond, cashier's check or certified check in the amount of **\$1,000.00** of the total offer.

Checks or bonds are to be made payable to Escambia County, Florida. The amount of the bond or check is the amount of liquidated damages agreed upon should the offeror fail or refuse to enter into a contract with the County.

A County warrant in the amount of the bid check(s) of the successful offeror(s) will be returned immediately after the offeror and the County are mutually bound by contract as evidenced by signatures thereto by an authorized representative of both the offeror and the County, and/or the offeror accepts the purchase order by signing the solicitation, offer and award form/acceptance copy of same and returning to the County Purchasing department. Any unsuccessful offeror(s) will have the amounts of his cashier's or certified check returned via county warrant promptly after award.

All offerors agree that any interest earned on any bid surety while in possession of the County, or its agents, shall be retained by the County.

3. Performances and Payment Bond

The County **may** require the successful offeror (contractor) to furnish separate performance and payment bonds, under pledge of adequate surety and covering up to 100% of award on the forms provided by the County. Such bonds shall be issued by sureties authorized to act as a surety by the State of Florida. Bonds of the successful offeror(s) shall be reviewed by the Office of Purchasing to assure compliance, then recorded in the Office of the Clerk of the Circuit Court Recording Office, 1st Floor, 223 Palafox Place, Pensacola, Florida, by the successful offeror at his expense before the contract is executed. The cost of recording is \$10.00 for the first page and \$8.50 for each additional page.

4. Procurement Questions

Procurement questions may be directed to Joe Pillitary, Purchasing Coordinator, Telephone (850) 595-4878, Fax (850)595-4805. Technical questions may be directed to Paul Stevens, ESII, Department of Solid Waste Management, Telephone (850) 937-2156, Fax (850) 937-2152.

5. Compliance with Occupational Safety and Health

Offeror certifies that all material, equipment, etc., contained in his offer meets all Occupational Safety and Health Administration (OSHA) requirements.

Offeror further certifies that, if he is the awarded vendor, and the material, equipment, etc., delivered is subsequently found to be deficient in any OSHA requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the vendor.

In compliance with Chapter 442, Florida Statutes, any item delivered under a contract resulting from this solicitation shall be accompanied by a Material Safety Data Sheet (MSDS) The MSDS shall include the following information.

- A. The chemical name and the common name of the toxic substance.
- B. The hazards or other risks in the use of the toxic substance, including:
 1. The potential for fire, explosion, corrosiveness and reactivity;
 2. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substance; and

3. The primary route of entry and symptoms of over exposure.
- C. The proper precautions, handling practices, necessary personal protective equipment and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of over exposure.
- D. The emergency procedure for spills, fire, disposal and first aid.
- E. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.
- F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

6. Safety Regulations

Equipment shall meet all state and federal safety regulations.

7. Codes and Regulations

The awarded vendor shall strictly comply with all federal, state and local building and safety codes.

8. Payment

Partial payments in the full amount for the value of goods/services received and accepted may be requested by the submission of a properly executed **original** invoice, with supporting documents if required. Payment for accepted goods/services will be accomplished by submission of an **original** invoice, in quadruplicate, to:

Department of Solid Waste Management
Attention: Sandra Jennings, Director
13009 Beulah Road
Cantonment, FL 32533

9. Debris

The awarded vendor shall be responsible for the prompt removal of all debris that is a result of this contractual service.

10. Protection of Property/Security

The awarded vendor shall provide all barricades and take all necessary precautions to protect buildings and personnel.

All work shall be completed in every respect and accomplished in a professional manner and awarded vendor shall provide for removal of all debris from county property.

The awarded vendor shall at all times guard against damage or loss to property of Escambia County, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage.

The County may withhold payment or make such deductions as deemed necessary to insure

reimbursement or replacement for loss or damage to property through negligence of the awarded offeror or his agent.

The awarded vendor shall at all times guard against injury to Escambia County employees. The vendor shall properly fence and secure the construction site(s) at all times, including evenings and weekends.

The awarded vendor must, at all times, comply with State of Florida and Occupational Safety and Health Administration (OSHA) safety regulations.

11. Permits

The county and/or its contracted consultant(s) have conducted a review of required permits required of the contractor for this project and they are to the best of our knowledge and all costs are to be borne by the bidder:

- Escambia County Occupational License for (Hazardous Waste Removal).
- Florida Department of Environment Protection (FDEP) Hazardous Waste Removal Permit

12. Compliance with Governing Laws and Regulations

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations.

13. Contract Term/Renewal/Termination

- A. The contract resulting from this Invitation for Bid shall commence effective upon execution by both parties and extend for a minimum period of thirty-six (36) months but shall not expire before September 30, 2009.
- B. The Department of Solid Waste Management will issue release Purchase Orders (Blanket or individual) against the term contract on an "as needed" basis.

14. Changes – Service Contracts

The County may at any time by issuance of an executed change order make changes within the general scope of the contract in any of the following areas:

- A. Description of services to be performed.
- B. Time of performance (i.e., hours of the day, days of the week, etc.).
- C. Place of performance of the services.

If additional work or other changes are required in the areas described above, an offer will be requested from the contractor. Upon negotiation of the offer, execution and receipt of the change order, the contractor shall commence performance of the work as specified.

The contractor shall not commence the performance of additional work or other changes not covered by this contract without an executed change order issued by the office of purchasing. If the contractor performs additional work beyond the specific requirements of this contract without an executed change order, it shall be at his own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed change order.

15. Licenses, Certifications, Registrations

The offeror shall at any time of bid submission meet the license, certification, registration and any other requirements of the State, County, City and/or any other agency of authority with jurisdiction in such matters as necessary to perform the contractual services requested in this solicitation.

Copies of such licenses, certifications, registrations and any other requirements should be provided with the bid submission; and, the offeror shall provide follow-up evidence that as the contractor they maintain such credentials throughout the period of agreement.

16. Term of Offer

An offer shall constitute an irrevocable offer for a period of ninety (90) days from the solicitation opening date or until the date of award; whichever is earlier, without forfeiting bid bond or check. In the event that an award is not made by the county within ninety (90) days from the solicitation opening date, the offeror may withdraw his offer or provide a written extension of his offer.

17. Award

Award shall be made on an "all-or-none total" basis.

18. Termination

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the county's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. Termination (Services)

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

Upon the third such written notification of unsatisfactory performance and/or deficiencies to the contractor by the Office of Purchasing within a four (4) month period; or the sixth such notification within any contract term, shall result in issuance of written notice of immediate contract termination to the contractor by the Office of Purchasing. Such termination may also result in suspension or debarment of the contractor.

20. Termination (Public Records Request)

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the county may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it

may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the county may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

Insurance Requirements

21. Insurance and Safety Requirements

The Contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County, on policies and with insurers with an A. M. Best Company “preferred” rating of at least A- VII, for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the Contract Documents, whether such services, work and operations be by the Contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The Contractor shall require, and shall be responsible for assuring throughout the time the Agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor’s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater. These insurance requirements shall not limit the liability of the Contractor. The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the Contractor’s interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the Contractor’s insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The Contractor’s deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The Contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the Contractor or any other insurance of the Contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

Workers Compensation Coverage

The Contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least \$100,000 each accident and \$100,000 each employee/\$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with section 440.02(13)(d) and 440.10(1)(g) Florida Statutes.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile And Excess Or Umbrella Liability Coverage

The Contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the Commercial General Liability and Business Auto policies of the Insurance Services Office.

Minimum limits of \$1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying

policies (including employers liability required in the Workers Compensation Coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The Contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage

Business Auto Liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee nonownership use.

Excess or Umbrella Liability Coverage

Umbrella Liability insurance is preferred, but an Excess Liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance

Required insurance shall be documented in Certificates of Insurance. If and when required by the County, Certificates of Insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the Certificate of Insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverages(s) indicated on each Certificate of Insurance.

New Certificates of Insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the Contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information.

1. Indicate that Escambia County is an additional insured on the general liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of \$1,000.
4. Designate Escambia County as the certificate holder as follows:
Escambia County
Attention: Joe Pillitary, CPPB, CPPO Purchasing Coordinator
Office of Purchasing, 2nd Floor, Matt Langley Bell, III Bldg.
P.O. Box 1591
Pensacola, FL 32597-1591
Fax (850) 595-4805
5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the Contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the Contractor shall furnish complete copies of the Contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For Commercial General Liability coverage the Contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

ENDORSEMENTS/ADDITIONAL INSURANCE

POLLUTION/ENVIRONMENT IMPAIRMENT LIABILITY COVERAGE

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment which may arise from this agreement or contract, including transit risks/exposures.

2.0 Delays

The project director reserves the right to delay scheduled due dates if it is to the advantage of the project.

3.0 Scope

General

The County wishes to employ a contractor to conduct certain activities pertaining to the collection, identification, packaging, manifesting, transportation, recycling, treatment and disposal of household chemicals collected through amnesty day type events and or regular operation of the county's Household Hazardous Waste (HHW) Facility. Also, the county requires the contractor to provide emergency response support for the collection, identification, management, manifesting, and transportation to a permitted Transfer Storage and Disposal (TSD) Facility for disposal or recycling of the collected household chemicals following a man-made or natural disaster. The emergency response portion of this scope of work will be focused on the collection of household chemicals and chemicals from businesses considered CESQG and SQG. Other collection events involve the proper collection, treatment and disposal of commercial chemicals from Conditionally Exempt Small Quantity Generators (CESQG) and Small Quantity Generators (SQG). The County desires to select a contractor for these services after review and evaluation of bidders, which are in response to the ITB.

The contractor understands that Escambia County (here after referred to as County) has the exclusive right to reject any and all bidders at its sole discretion and shall be held harmless from any claims by the bidders, resulting in losses due to the County failing to award a contract. In submitting a bid to the County, the bidder agrees to the terms and conditions outlined the ITB.

The County is seeking the service of a properly licensed and insured hazardous waste transportation, storage and disposal firm to assist the County with the multiple services listed below. Responses from contractors should distinguish between the services and bid accordingly. Services requested are for the following:

- (1) **FULL AMNESTY DAY EVENT:** Implement services at a designated site within the County for the collection, identification, packaging, manifesting, shipping, and proper treatment or disposal of Household chemicals;
- (2) **SHED CLEAN-OUT SERVICES:** Provide services to pack, manifest, ship, and properly dispose of Household chemicals collected at the Perdido Landfill collection facility;
- (3) **TRANSPORTATION and DISPOSAL SERVICES:** Collect bulked or lab packed chemicals from the Perdido Landfill Household Chemical Collection Facility, manifest, and ship to the proper treatment or disposal facility to recycle, treat or dispose of Household Chemicals.
- (4) **EMERGENCY RESPONSE SUPPORT:** Collect chemicals from destroyed or severely damaged households, CESQG, and SQG following a natural or man-made

disaster and properly manage the collected chemicals by either recycling or disposing of the wastes. Previous operations required door-to-door collection of the wastes from hurricane damaged areas. The scope of work for these operations is expected to vary from event to event.

- (5) **SMALL QUANTITY GENERATOR COLLECTIONS (SQG):** The contractor will provide hazardous waste collection activities, identification, packaging, manifesting, transportation, and proper disposal for Escambia County SQG. The costs for these services will be borne by the County. As with the amnesty day type event, the SQG collection will be within Escambia County.

The Shed Clean-Out and Transportation and Disposal Services sections will be conducted at Perdido Landfill, 13009 Beulah Road, Cantonment, FL 32533. Satellite sites will be selected by the Department of Solid Waste Management (DSWM) and the contractor will be notified upon selection. Sites for collection of chemicals following a disaster will be determined after an assessment of available areas and area conditions have been determined.

4.0 Terms of Agreement

Upon selection of a contractor, the County and the Contractor shall enter into an agreement by which the Contractor shall provide services to the County in accordance with the conditions set forth in this ITB and bidders by the Contractor. The term of the agreement between the Contractor and the County shall be for a period of three (3) years and may be renewed for up to two (2) additional one (1) year periods under the same terms and conditions, provided the County and Contractor are in agreement and the County has determined in its sole and exclusive judgment that the Contractor has satisfactorily performed services in conformance with the agreement. This agreement will be for the three year period running from October 1, 2009 to September 30, 2012.

5.0 Contractor Qualifications

To qualify for consideration for selection as contractor, applicants must meet certain designated qualifications relating to the performance of services outlined in the ITB. The applicant must be able to adequately demonstrate to the County that it meets the qualification requirements outlined in this ITB. The County may, at its sole discretion, disqualify applicants not meeting these qualifications.

5.1 Experience

The contractor shall have successfully conducted a minimum of ten (10) Household Chemical Collections within the past four (4) years and have a permitted transfer, storage and disposal facility in the State of Florida. The events must be documented and verifiable. Also, the contractor shall have experience responding to haz-mat emergency events.

5.2 Professional Image

The contractor will demonstrate the ability to maintain a professional image. Clean, well maintained equipment operated by uniformed contractor employees is expected. All employees working on county property or at a County sponsored collection event are expected to wear proper personal protective equipment (PPE) when handling any chemical.

5.3 Licenses and Permits

1. The Contractor shall be duly licensed as required by the State of Florida to transport and dispose of hazardous waste and be in possession of valid and current United

States Environmental Protection Agency (USEPA) Identification Number indicating the same. The transporter shall meet current applicable standards for transporting hazardous waste as found in Chapter 62-730 F.A.C.

2. The Contractor shall be duly licensed as required by any regional jurisdiction, such as the possession of an occupational license, or any other license or permit which may be required. The contractor shall be required to determine if any special or specific license or permit is required for participation in activities defined in the ITB.
3. The Contractor shall deliver household chemicals or SQG waste for consolidation, treatment, storage or disposal to facilities which have obtained and maintain a permit from the USEPA and or state or local regulatory authority to perform such activities. The Contractor shall identify in its proposal the names, addresses, USEPA Identification Numbers, the contact person or persons, and telephone numbers of the facilities which it will utilize in properly managing the waste materials identified in the ITB.
4. The contractor shall provide a list, as part of its bid, containing any and all violations, enforcement actions, fines over the amount of \$5,000.00, or any other infractions in which the destination facility or facilities received in the last three years of operation. The Contractor shall disclose any instance of being denied a permit or license for the conduction of a household chemical collection event in the last three years. The contractor will supply written notice to the County of any regulatory notice or citation issued to any transporter or TSD used by the County within 10 days of issue.
5. Damages, penalties, and or fines imposed on or incurred by the County due to the Contractor's failure to obtain and keep current any required license or permit, or failure to comply with any law, ordinance, rule, regulation, or special condition applicable to the contract, or directly or indirectly regulating to or resulting from the handling, identification, packaging, labeling, transportation, or disposal of all materials handled or managed by the Contractor, shall be borne by the Contractor.

6.0 Event Specific Plans and Procedures

The Contractor must submit, within 15 days of contract award, for the County's approval an operating plan, this plan will contain:

Health and Safety Plan. This will contain basic protection guidelines. All site workers shall have and wear proper PPE, including but not limited to, uniform, safety shoes, gloves, safety glasses or splash proof goggles. An air purifying respirator shall be readily available.

Spill Contingency Plan. This will contain an inventory of spill clean up equipment and supplies that are on hand at the collection event, a list of local first response companies that can assist in spill clean up and or remediation,

Emergency Response Plan. This will include, EMS, fire and police phone numbers, phone numbers and routes to the nearest hospital with chemical decontamination facilities, and a minimum of one (1) person with First Aid and CPR training.

7.0 Required Equipment

The Contractor shall have available for use at the household chemical collection event all required devices and equipment (all material and equipment shall be clearly labeled and identified as belonging to the Contractor) needed to safely perform the collection or packaging activities:

- 1) An internal communication or alarm system capable of providing immediate emergency instructions, either voice or signal, to participating personnel.

- 1) A device such as a telephone or hand held two-way radio, which is capable of summoning emergency assistance from police, fire, state, or local emergency response personnel.
- 2) Fire control equipment, including portable fire extinguishers and chemical extinguishing equipment, such as those using foam, inert gas, or dry chemicals.
- 3) Spill control equipment including adequate quantities of absorbent materials, non-sparking shovels or devices, chemical neutralizers, over-pack drums or any other materials or devices which may be required for the control of spills or releases of material handled by the Contractor.
- 4) Personal protective equipment in adequate quantities to outfit all workers. Equipment shall provide, at a minimum, the level of protection required for the tasks performed by the Contractor. The Contractor shall have adequate quantities of material such as chemical protective suits, protective eye wear, protective boots, chemical protective gloves, respirators, eye wash station, self-contained breathing equipment, and any other safety equipment required in the performance of his duties relating to the event or in response to emergency situations.
- 5) First-aid, CPR supplies, and other relevant equipment.
- 6) Hazardous waste labels, manifests, lab-pack lists as might be needed for the receipt, identification, packing, manifesting, transportation, and disposal of household chemicals generated as a result of the collection event.

8.0 Personnel Requirements

All personnel involved in the dynamics of the event, i.e. handling, packaging, identifying, and labeling, shall hold current OSHA 1910.120 training. Certification must accompany proposal. Additionally, where identified in the RFP, personnel shall have the following minimal qualifications;

8.1 Medical Surveillance

All personnel shall have successfully completed, within the last calendar year, a pre-placement or periodic medical examination prior to their assignment to the project.

8.2 Use of Technicians

If technicians are utilized to assist the attending chemists, the technicians shall have participated in a 1910.120 OSHA 40 hour hazardous waste workers training program with an annual 8-hour refresher course where applicable.

9.0 General Requirements of the Contractor

9.1 Identification of Wastes

The Contractor shall identify all hazardous wastes received at the collection center. Identification shall be sufficient to properly package and label all hazardous wastes in accordance with US DOT requirements for transportation of hazardous wastes and materials and to ensure acceptance of the wastes at an approved, permitted facility.

9.2 Avoidance of Storage

The Contractor, unless otherwise specified by the County, shall avoid storage of collected materials on County property after the event. The contractor may store these wastes on-site during the event.

9.3 Manifesting of Wastes

The Contractor shall supply and complete a Uniform Hazardous Waste Manifest (US EPA Form 8700-22) in accordance with 40 CFR 262, Subpart B, for all hazardous wastes collected and packaged during the project and transported from the County by the Contractor. The manifest shall adequately describe the contents and amounts of the

material being transported and shall comply with all applicable US DOT requirements for the identification of hazardous chemicals. The contractor shall supply the county with copies of all manifests executed by the Contractor upon completion of the collection event.

The Contractor shall be responsible for the preparation of any required Land Disposal Restriction forms or documents and shall provide the County with copies of the completed forms prior to transportation of any material for disposal.

9.4 Disposal of Wastes

- 1.) The Contractor shall transport material for disposal to facilities identified by the Contractor prior to an event. The County shall require, and the Contractor shall ensure, that any hazardous waste which is generated as a result of the household chemical collection event be prohibited from disposal in non-hazardous waste landfills as identified in 40 CFR 264, or delivered to non-hazardous waste incinerators. The wastes deemed acceptable for incineration shall be delivered to facilities authorized to burn hazardous waste fuels, or any such facility which is licensed to conduct TSD of hazardous wastes identified in 40 CFR 264.
- 2.) The Contractor shall supply the County with a certificate of destruction for hazardous wastes removed by the Contractor. The certificate of destruction shall be supplied no later than 90 days from the removal of the waste. The County reserves the right to withhold thirty-percent of the awarded contract amount until the receipt by the county of the certificate of destruction.
- 3.) The County makes no warranties or statements of expected quantities of waste collected. The Contractor shall agree to properly dispose of these wastes in conformance with item 1 above and charge the County a disposal rate to be specified in the Contractor's proposal.
- 4.) The County shall be identified on the Uniform Hazardous Waste Manifest as the generator for all wastes collected by the Contractor during the household chemical collection event.
 - a. All partially filled lab- pack shall be approved by the County before shipment.

9.5 Transportation of Wastes

The Contractor shall transport all hazardous wastes collected during the event to a USEPA approved TSD. The Contractor shall identify the treatment or disposal sites for all waste identified in the ITB. The County shall approve the selected treatment or disposal sites. Transporters shall meet the minimal insurance and licensing requirements set forth in this ITB. The Contractor shall be responsible for all activities relating to the transportation of hazardous materials or wastes.

9.6 Traffic Control

The contractor shall establish a traffic pattern through the collection area that will allow participants to enter and depart the off load area without leaving their vehicle. The traffic plan will be agreed on by the contractor and the County at least 10 days before the event. The contractor shall provide all traffic control devices and signage for the event.

9.7 Safety Meeting

The contractor shall conduct a safety meeting with all contractor and County employees in attendance after set up for the collection event but before accepting any HHW. This meeting will include but not to be limited to, placement of safety devices, extra PPE, who is performing what duty, who the site supervisor is, who the safety officer is, who can stop work for any reason, any signal for emergency.

9.8 Spill Cleanup

The contractor shall be responsible for the cleanup of any spill or release of HHW. A verbal report will be given to the County immediately after any spill or release of HHW. A written report of the cleanup will be submitted to the County within 10 days of the spill or release along with verification of cleanup or remediation. The contractor will be responsible for notifying Federal and State agencies regarding the spill or release.

10.0 Reports

Within 30 days of completion of any County sponsored event, the Contractor shall provide the County with the following reports:

- 1.) The Contractor shall provide a list of all materials transported for disposal along with copies of the corresponding manifests.
- 2.) The Contractor shall specify the destination facility and treatment method for each waste.
- 3.) The Contractor shall provide a detailed report of any spill or emergency, which occurred during performances of his services and outline the result of any remedial action taken, and include the current status/condition of the situation.
- 4.) The Contractor shall submit a detailed invoice to the County pursuant to the terms and conditions specified in the ITB and the contract between the County and the Contractor.

11.0 Costs for Tasks
