

GARDEN TALKS

WITH ESCAMBIA COUNTY MASTER GARDENERS

Escambia County Extension is offering hands-on gardening programs that feature local plants and gardening practices recommended by University of Florida Extension.

FEBRUARY – Pruning Lessons for Backyard Plants

Master Gardeners will demonstrate pruning techniques for roses, hydrangeas, Indian hawthorn, and other common landscape plants. Learn how to save some branches for air layering to have new starts of your favorite plants.

Choose Your Date:

Friday, February 17, 2012
9:30 am – 11:30 am

or

Saturday February 18, 2012
9:30 am – 11:30 am

MARCH – Propagation by Cuttings and Division

Many of your favorite plants can be propagated so that you have more plants for your garden and to share with friends. Learn easy propagation techniques for many ornamental grasses and perennials, along with care of plants throughout the remainder of the growing season.

Choose Your Date:

Friday, March 9, 2012
9:30 am – 10:30 am

or

Saturday March 10, 2012
9:30 am – 10:30 am

- Participants must pre-register by calling 475-5230 or emailing bbolles@ufl.edu. Please indicate which date you will be attending.
- Registration will close three days before each event.
- Programs are free.
- Bring a lawn chair if needed and dress for outdoor weather.
- Programs at 3740 Stefani Road, Cantonment, FL in demo garden.
